

VITALITY BABY

WELL BABY CLINIC

Well Baby Clinic

Visit the Well Baby Clinic to learn more about how your baby is growing and developing by tracking their height, weight and head-circumference measurements. You can also get advice on a range of health-related topics like breastfeeding, as well as baby's vaccinations and developmental milestones.

Plus, from birth to 2 years, babies will qualify to earn 500 Vitality points per visit to a maximum of 2,500 Vitality points per year for visiting the Well Baby Clinic.

If you are part of a medical scheme administered by Discovery Health, we will automatically allocate your points when we receive a claim for the visit. Members who are not on a scheme administered by Discovery Health will need to send us proof of attendance at the Well Baby Clinic through our WhatsApp Ask Discovery functionality.

Find a Well Baby Clinic near you:
