

## Chronic Illness Benefit medicine list (Provisional Formulary) 2024

### Who we are

The BMW Employees Medical Aid Society (referred to as "BEMAS"), registration number 1526, is the medical scheme that you are a member of. This is a non-profit organisation, registered with the Council for Medical Schemes. Discovery Health (Pty) Ltd (referred to as "the administrator") is a separate company and an authorised financial services provider (registration number 1997/013480/07). We take care of the administration of your membership for BEMAS.

### Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicine when we make these changes.

The Chronic Illness Benefit (CIB) is managed by the BMW Employees Medical Aid Society rules. The use of the benefits and programmes linked with the Chronic Illness Benefit are subject to specific conditions and rules. You must make sure that you know these rules and conditions.

Any instructions or advice on medicine and the management of your condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of your doctor, pharmacist or other healthcare professional.

You get full cover for approved chronic medicine on the medicine list. For medicine not on the medicine list, we cover you up to a set monthly rand amount called the Chronic Drug Amount (CDA).

BEMAS and Discovery Health (Pty) Ltd reserve the right to change the benefit at any time.

For more information call us on 0860 002 107 or visit [www.bemas.co.za](http://www.bemas.co.za)

## Explanation of terms

### Active ingredient

This is the main substance in a medicine that is responsible for the clinical action on a human body.

### Benefit year

A benefit year refers to the benefits you are entitled to during a calendar year, 1 January to 31 December. This medicine list (formulary) and Chronic Drug Amounts are applicable for 2024 only.

### Chronic Disease List (CDL)

A defined list of chronic conditions we cover according to the Prescribed Minimum Benefits.

### Chronic Drug Amount (CDA)

The CDA is a monthly amount we pay up to for a medicine class. This applies to medicine that is not listed on the medicine list (formulary). The Chronic Drug Amount includes VAT and the dispensing fee.

### Medicine class

This describes medicine that have similar chemical structures or similar therapeutic effects.

### Prescribed Minimum Benefit (PMB) conditions

These are conditions which all medical schemes are required to cover by the Council for Medical Schemes according to clinical guidelines.
